A MESSAGE FROM OUR CEO & BOARD PRESIDENT

On behalf of the entire Board of Directors, thank you to all our donors, volunteers, supporters, partners, and friends. We couldn't have made it through 2022 without all of you so we thank you for all you continue to do for our organization.

Reflecting on the 2022 fiscal year, we had a great year! After spring, we were finally fully open from being sheltered in place due to the pandemic and we were able to serve families once again from all over the world. We unofficially started a capital campaign during 2021 that will run through 2025 and with those funds were able to underwrite family overnight stays and make many needed upgrades to our home.

There are so many great opportunities ahead of us and our board cannot wait to see them come to light in 2023. We have built a strong and dedicated team, welcomed new staff members, and said goodbye to others. With those changes, we've opened many doors for new ideas and growth in all our programs.

Big things are coming, and we cannot wait to share them with you. Until then, please know how much we appreciate all of you.

Thank You
